

## **Notice of Utility Application**

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that on May 20, 2022, Midtown Estates Water Utility, LLC (Midtown Estates) and Unified Alaskan Utilities (UAU) have filed a joint application for the transfer of Midtown Estates' Certificate of Public Convenience and Necessity (Certificate) No. 642 to UAU, holder of Certificate No. 730, in Palmer, Alaska. Docket No. U-22-023 was opened to address this matter.

Midtown Estates is a small community located in Palmer, Alaska, comprised of approximately 185 homes. UAU states it is working to unify all utilities the company owns under one Certificate and one rate structure. Midtown Estates is an affiliated interest of UAU, and they share common ownership. If the application is approved as filed, UAU states that there will be no impact on rates, but the customers of Midtown Estates will be bound by UAU's tariff, and services will be provided by UAU.

In conjunction with the joint application, the Applicants have filed a motion for expedited consideration of the application by July 16, 2022. The Applicants filed a motion to consolidate this certificate transfer application with filed applications for Mile 8 Utilities as well as Oasis Water Certificates to be transferred to UAU. Interested parties may file a response to the motions with the Commission by 5:00 p.m. June 16, 2022.

The Commission has not assessed the completeness of the application or ruled on the motion for expedited consideration. The Commission will rule on the motion and determine whether the application is complete by July 15, 2022.
